

# BAN THE BAG ACTON

## Help End Plastic Pollution!

A group of Acton residents leading **BAN THE BAG ACTON** is proposing a Town bylaw that would prohibit single-use plastic checkout bags at retail stores, and encourage people to bring their own reusable bags.

Let's join the 80+ other MA towns and cities that have banned these bags — to maintain the beauty and health of our town; protect our waterways, natural resources, and wildlife; and keep these problematic plastic bags out of landfills and waste incinerators.

**Ban the Bag Acton** is committed to providing reusable bags to residents who need them.
